

# Old Indian Cemetery

## INTERMENTS

Cottage Street  
West Brookfield, Massachusetts

This list is taken from the inventory and map of the Old Indian Cemetery prepared by Eagle Scout Candidate Justin T. Schnare in January 2000. The names are listed by stone number and not by alphabet. Each stone in the cemetery was numbered. There could be two stones for the same person if that person had a headstone and a footstone. Not all stones were legible. This is a searchable PDF.
